OFFICIAL-INFORMAL  
CONFIDENTIAL

Dear Bob:

At long last I want to thank you for your many kindnesses during our stay in Munich in July.

I am sending three copies of RL monitoring reports from my return trip to the USSR. You will note that I obtained excellent results in Hungary and Slovakia, but reception inside the USSR was disappointing. Max Ralis may find these reports of some use despite their age.

I am also enclosing a list of books which I believe Will Klump will be able to supply. We intend to have them on hand in the Embassy for discreet presentation. We would like five of each Russian-language volume and three copies of each English-language volume. The books should be surface pouched to the following address:

Internal Political Section,  
American Embassy,  
Moscow.

Finally, the Nigerian Embassy here would like to receive two copies of the Institute's Who's Who in the USSR. If the Institute can spare a couple of copies we would appreciate your pouching them to Jack Perry, American Embassy, Moscow, for presentation to the Nigerians.

Our very best regards to you, Genevieve and Bobby. Say hello for us to the media people and your associates in the Consulate General.

Sincerely,

Jack F. Matlock

- Enclosures: 1. Monitoring report (3 copies)  
2. List of books and periodicals.
